

THE Regal ARCHITECTURAL COLLECTION

*Powder Coatings Designed Specifically
for the Architectural Market*

The **REGAL Architectural Collection** is seventy-two products of popular color and gloss for the architectural marketplace. These weatherable powder coatings balance economics and performance, while exhibiting excellent gloss and color retention in a variety of outdoor environments. Designed to meet the stringent standards and performance criteria of the American Architectural Manufacturing Association's 2603, 2604, and 2605 specifications, these durable exterior finishes give architects, specifiers, and designers quality assurance and broad appearance flexibility.
